The temporary posts sanctioned in the Government Orders cited above for the two filatures and for the cocoon markets have been declared to be outside the scope of the Services Rules; the incumbents of these posts being liable to discharge from service on one month's notice or less. It is not clear whether the holders of these temporary posts are eligible for any leave either under Fundamental Rules or the Madras Leave Rules. I consider it but fair that they should be eligible for some leave and accordingly suggest that

for matter of leave they be treated as regular establishment.
